2-Jul-2026

Your publication for 2027 IEEE 17th Annual Computing and Communication Workshop and Conference (CCWC) is eligible for the **IEEE Conference Publication Program (CPP)**, which manages worldwide post-conference sales and distribution via IEEE Xplore®. Organizer resources: ieee.org/conferences/organizers/pubs/conference-publications.html.

This letter is not a commitment to publish — **IEEE reserves the right not to publish proceedings that do not meet its quality standards.**

TITLING CONSISTENCY

- Consistency is required to ensure that end-users can readily identify, access, and cite your content.
- The full official title *must* appear identically on the proceedings' *cover, title page, copyright page* (reverse side of the title page), and *spine* (if applicable).

Prerequisites for submission:

Required IEEE *Xplore*-compliant PDF files:

1. Author Papers
2. Cover
3. Table of Contents

Not providing this information may prevent Abstracting & Indexing partners from including your content.

COPYRIGHT INFORMATION

All authors or their employers who intend to publish in the IEEE Xplore Digital Library must transfer copyright using the IEEE Electronic Copyright Form (eCF).
